

Billed Cost, Consumption and Carbon Emissions

This report breaks down the billed Cost, Consumption and Carbon Emissions per Commodity across all Sites. The emission factors are taken from the figures published yearly by GOV.UK. 5 years of data and all commodities will be displayed unless the filters are used. There are also options to filter by Site Group and Site

Filters

Date Between 01/01/2020 And 31/12/2020 And Restrict to A&R Bills Only
